- Known egg donors (but not shared egg donors and altruistic donors)
- Surrogates

FEE SCHEDULE 2010/11

Investigation Packages

If tests are taken individually, please refer to the price list.

<ul style="list-style-type: none"> • Full blood count • Haemoglobinopathy • HVS / Chlamydia • Rubella • FSH / LH / E2 / TSH / Prolactin • Scan • HyCoSy • Semen analysis <p>Actual cost of investigation package = £745 Cost to patient if purchased as a package = £600</p>	<ul style="list-style-type: none"> • Full blood count • Haemoglobinopathy • HVS / Chlamydia • Rubella • Complete Hormone Profile • (FSH, LH, E2, Prolactin, TSH, Testosterone, SHBG, Androstenedione, DHEAS, 17AHP) • Scan • HyCoSy • Semen analysis <p>Actual cost of investigation package = £840 Cost to patient if purchased as a package = £700</p>
---	--

All patients undergoing IUI, IVF, ICSI will also be offered HIV, Hepatitis B, Hepatitis C on both partners and, if required, chromosome karyotyping at **NO additional cost.**

FEE SCHEDULE 2010/11**Fee Schedule for In Vitro Fertilisation and Intracytoplasmic Sperm****Injection (IVF / ICSI Treatment):**

	Fee Paying
HFEA Fees	£75
IVF (In Vitro Fertilisation) includes sedation & embryo freeze (exclusive of drugs)	£2,500 (+ £75)
ICSI (Intracytoplasmic Sperm Injection) includes sedation and embryo freeze (exclusive of drugs)	£3,000 (+ £75)
IVF with 1 vial of CRM donor sperm (includes sedation & embryo freeze exclusive of drugs)	£2,800 (+ £75)
ICSI with 1 vial of CRM donor sperm (includes sedation & embryo freeze exclusive of drugs)	£3,300 (+£75)
Abandoned Treatment prior to Egg Collection	£550
Abandoned Treatment after Egg Collection (failed fertilisation / freeze all)	£2,225
Natural cycle IVF	£1,225
Abandoned natural cycle IVF	£250
Egg Freezing IVF	£2,000
ICSI for Thawed Eggs	£1,250
Frozen Embryo Replacement	£750
Embryo Freeze	Free of charge
Sperm Freeze (including first year of storage)	£250
Testicular Tissue or PESA Freeze (including first year of storage)	£250
Annual Storage Charge for Egg/Sperm/Embryo	£130
Assisted Hatching	£250
Blastocyst Transfer	Free of charge
Counselling	Free providing the issues relate to current fertility, treatment and donors

FEE SCHEDULE 2010/11**Fee Schedule for Intra Uterine Insemination (IUI) and Donor****Insemination (DI)**

	Fee Paying
HFEA Fees	£37.50
IUI using partner's semen (scan monitored cycle) – per cycle	£650
IUI using partner's semen (natural cycle no monitoring) – per cycle	£450
Cancelled IUI treatment	£300
IUI using donor sperm (1 vial of sperm from CRM) – per cycle	£950
IUI using donor sperm (sperm not from CRM) – per cycle	£650
Administration costs for transfer of gametes/embryos from overseas	£100
Administration costs for transfer of gametes and embryos from UK	£50
1 vial of donor sperm from CRM	£300
1 vial of donor sperm from UK (external donors) – cost is dependant upon Centre and is excluding carriage	£500 - £650

FEE SCHEDULE 2010/11**Fee Schedule for Egg Donors, Egg Recipients and Egg Sharers**

	Fee Paying
Embryo Donation	£2,500
HFEA Fees	£75
Egg Recipient Consultation	£150
Egg Recipient and unknown egg donor	
Egg Recipient Administration	£300
Unknown donor Egg Recipient Cycle IVF <i>(includes donor and self drugs, donor screen and IVF)</i>	£5,750*
Unknown donor Egg Recipient Cycle ICSI <i>(includes donor and self drugs, donor screen and ICSI)</i>	£6,250
Egg Sharer (Egg Provider)	
Egg Sharing (egg provider) IVF	Free + £75
Egg Sharing (egg provider) ICSI	£500 + £75
Egg Sharer screening	Free
Egg Sharer drugs	Free
Known Egg donor and known Recipient <i>(Initial consultation and scan for both donor and recipient and screen for recipient and SA are chargeable)</i>	
Known donor egg recipient IVF <i>(includes donor and self drugs, donor IVF)</i>	£5,250
Known donor egg recipient ICSI <i>(includes donor and self drugs, donor ICSI)</i>	£5,750
Known egg donor consultation	£150
Known egg donor screening	£525
Known egg donor medications	Free but pay for any extra

FEE SCHEDULE 2010/11

Surrogacy	
Host screening	£550
Host surrogacy IVF	£3,025
Host surrogacy ICSI	£3,525
Host surrogacy using frozen embryos	£2,000

Donor Medications Standard Package:

2 bottles of Synarel 60 / or 2 bottles of Buserelin (5.5 ml)
2 vials of Pregnyl 5000 iu
24 ampoules of Menopur

Recipient Medication Standard Package:

2 bottles of Synarel 60 or 2 bottles of Busereline (5.5 ml)
3 boxes of Cyclogest 400 mg (32 pessaries)
2 boxes of Progynova

FEE SCHEDULE 2010/11

Investigation Package for Egg Donors and Surrogates

If tests are taken individually, please refer to the price list.

- Scan
- Full blood count
- Haemoglobinopathy
- HVS / Chlamydia
- Rubella
- FSH / LH / E2 / TSH / Prolactin
- Chromosome/Karyotyping
- Infectious Profile (including HIV, Hep B, Hep C, CMV, VDRL)

If required, Complete Hormone Profile
(FSH, LH, E2, Prolactin, TSH, Testosterone,
SHBG, Androstenedione, DHEAS, 17AHP)

Actual cost of investigation package = £585
Cost to patient if purchased as a package = **£485**

Investigation Package for Egg Recipients

If tests are taken individually, please refer to the price list.

- Scan
- Full blood count
- Haemoglobinopathy
- HVS / Chlamydia
- Rubella
- FSH / LH / E2 / TSH
- Chromosome/Karyotyping
- Infectious Profile (including HIV, Hep B, Hep C, CMV, VDRL)

Actual cost of investigation package = £490
Cost to patient if purchased as a package = **£400**

FEE SCHEDULE 2010/11**Fee Schedule for Surgical Procedures**

	Fee Paying
Surgical Sperm Retrieval (SSR)	
Surgical Sperm Retrieval (SSR) – PESA / TESE	£900
Please note: A deposit of £250 is required to be placed on the SSR waiting list. Payment is required as follows:	If no sperm retrieved - no change of cost ie £900.00
£250.00 – deposit	If sperm present then additional cost of £250. 00 to freeze
£900.00 – invoice if sperm present	
£650.00 – invoice if no sperm present
