

## Hello my name is Alison Searle, I am your Ward Manager

Lucina Birth Centre is a midwifery led birth centre which cares for women who are currently in labour and have pre planned a water birth. There are 5 birthing rooms and 4 pools all with ensuite facilities.

## Hello my name is TO BE APPOINTED, I am your Modern Matron

To improve the patient experience... Committed to providing one-to-one care in established labour to facilitate normal birth whether that is in water or not. The birth centre is based upon the whole family experience, with a home from home environment. Your baby's new born examination is also completed prior to transfer home.

## Just a few things to remember...

• We are currently following government advice regarding visiting relatives in hospital in relation to COVID-19. Sadly at this time we have STOPPED ALL VISITING following government guidelines to try to reduce the transmission of Coronavirus. For an update on your relative please call the ward/department on one of the below telephone numbers. Thank you for your cooperation.
