

## Hello my name is Pauline Williamson, I am your Ward Manager

The Medical Decisions Unit cares for patients referred via the Walk-in-Centre, Rugby Urgent Care Centre, GP or the Emergency Dept. We look after men and women in single sex bays with separate bathrooms. Following assessment patients may be admitted or discharged. The Ambulatory Emergency Care Clinic cares for patients requiring investigations who are discharged at the end of the day

## Hello my name is Matthew Burden, I am your Modern Matron

To improve the patient experience... ensuring that we have daily safety huddles to discuss current issue, review the previous 24 hours and look forward to the next shift. during this time we also review any feedback we have received to ensure that we learn from events and we now have "catch up" huddles later in the day to check progress as required

## Just a few things to remember...

• We are currently following government advice regarding visiting relatives in hospital in relation to COVID-19. Sadly at this time we have STOPPED ALL VISITING following government guidelines to try to reduce the transmission of Coronavirus. For an update on your relative please call the ward/department on one of the below telephone numbers. Thank you for your cooperation.
