

Welcome to Mulberry Ward

Hello my name is Leanne Buck, I am your Ward Manager

We look after patients with various conditions but Mulberry Ward specialises in Rehabilitation. We care for both men and women on the ward in 5 or 8 bedded single sex bays with separate bathrooms. Each ward also has some single rooms, allocated on clinical need.

Hello my name is Judith Lewis, I am your Modern Matron

To improve the patient experience... We are working with patients and relatives to support patients to sit out during the day, preferably dressed, as this helps with their rehabilitation. To assist us with this we are asking families to bring clothes in for their relatives where possible. We are also working with our improvement team to enable patients to be discharged before midday where possible.

Just a few things to remember...

• We are currently following government advice regarding visiting relatives in hospital in relation to COVID-19. Sadly at this time we have STOPPED ALL VISITING following government guidelines to try to reduce the transmission of Coronavirus. For an update on your relative please call the ward/department on one of the below telephone numbers. Thank you for your cooperation.
