PALS: Patient Advice and Liaison Service

Here to help you with your comments, compliments, concerns, or complaints

Introduction

This leaflet explains how the Patient Advice and Liaison Service (PALS) can help if you have comments, concerns or need assistance with a service provided by our hospitals.

University Hospitals Coventry and Warwickshire (UHCW) NHS Trust is committed to providing a high quality service to all our patients and we put patient care at the centre of all we do.

We constantly strive to maintain the highest standards of care to ensure you receive the right treatment, at the right time. We actively encourage feedback and value your views about the service you have received.

By making comments whether as a compliment or complaint, you help us to understand how patients see our services and where improvements can be made.

We will listen to patients, relatives or visitors who raise concerns, respond to them and learn from them.

If you or your relatives or carers have queries or you are unhappy with any aspect of your care, in the first instance, please speak to a member of the ward or clinic staff as soon as possible. Very often problems can be resolved at this point.

If you feel they cannot help or you are not comfortable talking to them, you can contact PALS.

What is PALS?

PALS is a free and confidential service for patients, their families, carers, and friends. We are here to respond to concerns about any aspect of your care or Trust services and aim to resolve any problems as quickly and as easily as possible.

What PALS can do:

- We listen to your comments, compliments, and suggestions about the hospital services.
- We provide confidential advice and support to resolve problems and difficulties.
- We liaise with clinics and wards on your behalf.
- We offer information on how to make a complaint.

Raising concerns will not affect the care or treatment that you, or the person you care for, is given.

Patients can ask a friend or relative to speak on their behalf, but we must have their permission before we can discuss any personal information with anyone else.

PALS will try to resolve your concerns within five working days, but some issues may take longer to deal with – we will let you know if this is the case.

Making a formal complaint: NHS complaints process

We have a separate leaflet 'Making a Complaint' which gives more information. You can ask a member of staff or PALS for this, or download it from our website www.uhcw.nhs.uk

Compliments, Comments and Suggestions

If you have had a positive experience, we would like to hear from you. Feedback for a particular department or service is fed back to the relevant team. You can do this by emailing feedback@uhcw.nhs.uk sending a card directly to the ward/department, completing our online questionnaire 'Impressions' or by accessing national websites such as 'Patient Opinion' or the 'NHS website'.

Suggestions and comments help drive improvements to the services we provide.
