Free prescriptions

Since April 2009, all cancer patients are entitled to free prescriptions. Please ask your nurse, doctor or pharmacist for more information regarding this.

Hospital car parking

All patients and family members, please ask a member of staff if you are entitled to free or concessionary car parking rates.

Patient Appointment Record

Date:

The following summary explains what has been discussed with you today.

The main points were:

- The results of your biopsy.

The lesion on your skin has cancerous cells within it and has been diagnosed as a squamous cell carcinoma.

- Further tests or scans to be requested.

- Your treatment, which is

- When your treatment is likely to start

- The possible side effects of the treatment

- Follow up appointments

- Looking after your skin

- Other

Questions

If you require further information, a letter of your consultation should be sent to you and your GP. If you do not receive this letter, please ask the skin cancer nursing team who will be able to help.

You and your family are encouraged to write down any questions you may have and your doctor or nurses will be happy to answer them.
