

Respiratory Medicine

Welcome to Ward 30 (The Respiratory Unit)

Information for patients, relatives and carers

Introduction

Ward 30 comprises of 41 beds and is managed by Barbara Preedy.

Each patient will be allocated a consultant on arrival to the ward. Please inform the ward staff if you are already known to a respiratory consultant. If at any point you wish to speak to a doctor you can:

- Arrange with the nursing staff to see a junior doctor on the ward
- Make an appointment with the secretary to see the consultant
- Liaise with the nurse in charge to make an appointment for you

If you have any queries or concerns throughout your stay, please speak to one of the clinical sisters or the ward manager who will be happy to assist you.

Visiting times

Monday to Friday 18:30 – 20:00

Saturday and Sunday Open Visiting

Please note: we request that there are only two visitors per bed

Additional Information

- To help with infection control, we discourage anyone from bringing flowers or open foods to the ward.
- During your stay on the ward you may be cared for by students. If you have any concerns about this, please speak to the nurse in charge.
- Children under 14yrs are not allowed on the ward at any time
- Please ensure that no valuables are left on the ward as the hospital cannot accept any responsibility for loss or damage to personal property.
- Please help us to maintain patient dignity by ensuring that your relative has toiletries and nightwear.
- Please wash your hands when entering and leaving our ward.

If you have any recommendations about how we can improve our service please complete our impressions survey, these can be found on every ward or at the hospital entrance. Alternatively you can visit www.uhcnhs.uk

The Trust has access to interpreting and translation services. If you need this information in another language or format, please contact the ward staff and we will do our best to meet your needs.

The Trust operates a smoke free policy.
