Emergency Eye Appointments: New Booking System

If you have an urgent eye problem, you can now book an on-the-day telephone consultation via the Eye Emergency Referral Service (EERS).

Scan the QR code or visit uhcw.nhs.uk and search Eye Emergency Referral Service. The section How to Access our Services will take you to a link to book a telephone consultation.

You will be spoken to by an expert clinician who will give you specialist advice on the next steps to take.

Please provide a phone number which you can be contacted on for the consultation. Please also be aware that you will be phoned as close to the allotted time as possible, although at busy times unfortunately there may be a delay.

In the event that you feel you cannot wait to speak to someone or do not have online access then you may call 0247 696 4800.

This phone line is open 9am - 1pm; 1.30pm - 5pm (Monday - Friday, excluding bank holidays) and 9am - 12pm (Saturday).

In the event of an eye emergency out of hours, please attend the Minor Injuries Unit/Emergency Department.

Please only attend the Eye Outpatient department if you have had a telephone consultation in advance and have been advised to attend.
