

## Orthoptic Department

# Video Clinic

The aim of the Video Clinic is to document your eye movements which may then be used to inform your care and, with your permission, for teaching purposes.

The Video Clinic appointment will last around **1 and half hours** and consists of an Orthoptic assessment and a video of your eye movements.

We will get written consent from you before taking the video.

If you would prefer not to have your eyes videoed, please contact us by email: [uhc-tr.OrthopticDept@nhs.net](mailto:uhc-tr.OrthopticDept@nhs.net) or by phoning 024 7696 6521 and we will arrange an Orthoptic only appointment.

The Video Clinic takes place in Clinic 9 in Outpatients.

The Trust has access to interpreting and translation services. If you need this information in another language or format please contact 024 7696 6521 and we will do our best to meet your needs.

The Trust operates a smoke free policy.
