Gynaecology

Macmillan Gynae Oncology Clinical Nurse Specialist service

To be told that you, a family member or a friend has or may have a gynaecological cancer is a difficult situation, which you may feel unable to cope with.

To help you deal with this difficult situation, the Macmillan Clinical Gynaecological Nurse Specialist can offer support to patients and their families at all stages of their cancer journey.

Who are the Macmillan Gynae-Oncology Clinical Nurse Specialists?

There are three Macmillan Gynae-Oncology Clinical Nurse Specialists. One of them will be your key worker.

- Vikki Jones
- Lisa Washington
- Rachel Hotchkiss

To contact them ring **024 7696 7238**

Where are we based?

University Hospitals Coventry & Warwickshire
Women's Hospital
West Wing
Clifford Bridge Road Coventry CV2 2DX

Monday – Friday: 9.00am – 4.30pm
Tel: 024 7696 7238 (Answer machine)

What we offer to patients as their key worker

- Support and information at time of diagnosis
- Support and information for patients, families, and carers about gynaecological cancer and the treatments available for the disease
- Guidance and support both in hospital and at home (via the telephone) to patients and families, pre and post treatment
- A link between patients and their medical and surgical team
- Advice and referrals to other health professionals such as dieticians, physiotherapists, social workers, Macmillan cancer nurse specialist, Macmillan palliative care team, lymphoedema clinical nurse specialist, psycho-sexual counsellor, district nurses and others as needed.
