Adrenaline auto-injectors (AAI) in school

Dear school.....

The following child..... has been prescribed 2 adrenaline auto-injectors (AAI) today as part of their allergy management plan. Please see the allergy action plan which parents have been given today.

We have advised that 2 AAI's are carried at all times.

In addition, as part of the Spare Pens in Schools initiative, the Paediatric Allergy Clinic would like to signpost you to the following link for information on obtaining spare AAI devices: <https://www.sparepensinschools.uk/for-schools/legislation/>

Best wishes,

UHCW Paediatric Allergy Clinic
