Your P.D.S.N. will provide you with a Prescription request to give to your G.P. so you can order repeat prescriptions.

PIP codes will ensure you get the correct items.

If you have any problems ordering your prescription please contact your P.D.S.N.

\* = Items to be stored in the fridge (**do not freeze**)

## Patient Information

P = Items can be obtained on prescription from your GP. Your PDSN will give you a list with the items you need for your child to put on a repeat prescription. Take this to your GP surgery.

N = Items you obtain from your PDSN

H = Items you obtain by contacting the manufactures helpline.

C = Items you obtain from the Chemist. It is useful to use the same Chemist who will become familiar with the items your child needs and will keep them in stock.

Please contact your diabetes nurse on 024 7696 7230 if you feel that you need help.

The Trust has access to interpreting and translation services. If you need this information in another language or format, we will do our best to meet your needs. Please contact the Department on 024 7696 7230.

The Trust operates a smoke free policy.

### Did we get it right?

We would like you to tell us what you think about our services. This helps us make further improvements and recognise members of staff who provide a good service.

Have your say. Scan the QR code or visit:
