

Hello my name is Barbara Nyamariwata, I am your Ward Manager

Ward 12 Acute Medical Unit looks after patients referred to hospital as an emergency by their GP or admitted via the Emergency Dept. It is a short stay admissions ward where patients may be moved to another speciality ward or discharged. We care for both men and women in single sex bays. The ward also has side rooms available which are allocated on clinical need.

To improve the patient experience...
Our focus this month is to:

Focus this month is to protect our staff and patients as we fight a virus that is affecting the whole country and the rest of the world.

Just a few things to remember...

• We are currently following government advice regarding visiting relatives in hospital in relation to COVID-19. Sadly at this time we have STOPPED ALL VISITING following government guidelines to try to reduce the transmission of Coronavirus. For an update on your relative please call the ward/department on one of the below telephone numbers. Thank you for your cooperation.
