

Hello my name is Debbie Ursell, I am your Ward Manager

We look after patients with various conditions but Ward 22 ECU specialises in Surgical Enhanced Care. We care for both men and women on the ward in 4 bedded single sex bays. Each bay has its own bathroom. Each ward also has some single rooms, allocated on clinical need, each with ensuite facilities.

Hello my name is Annette Wye, I am your Modern Matron

To improve the patient experience... We are currently working to improve pressure area care in the ward and our actions are successfully reducing the incidence of pressure areas on the area. We are consistently working within the Trust values and focus on improving quality of care, embracing innovation to deliver enhanced productivity and improve services.

Just a few things to remember...

• We are currently following government advice regarding visiting relatives in hospital in relation to COVID-19. Sadly at this time we have STOPPED ALL VISITING following government guidelines to try to reduce the transmission of Coronavirus. For an update on your relative please call the ward/department on one of the below telephone numbers. Thank you for your cooperation.
