

Hello my name is Wendy Woods, I am your Ward Manager

We look after patients with various conditions but Ward 22SAU specialises in emergency surgical admissions. We care for both men and women on the ward in 4 or 6 bedded single sex bays. Each bay has its own bathroom. Each ward also has some single rooms, allocated on clinical need, each with ensuite facilities.

Hello my name is Clare Baker, I am your Modern Matron

To improve the patient experience... We have recently invested in work to improve the waiting and assessment areas for patients which we hope will improve patient experience and flow and would value feedback on this element. Patient feedback is essential to our improvement journey. Please feedback where you are able.
