

Hello my name is Jill Stokes, I am your Ward Manager

Ward 24 cares for ladies with high risk pregnancies or ladies who require induction of labour. We care for ladies in 4 bedded bays. Each bay has its own bathroom. The ward also has side rooms available each with ensuite facilities, allocated on clinical need

Hello my name is Sharon Gouldingay, I am your Modern Matron

To improve the patient experience... Working closely with UHCW Charities department to raise funds to upgrade the day room. The team is also working closely with the catering department to review food options available during inpatient admission

Just a few things to remember...

• We are currently following government advice regarding visiting relatives in hospital in relation to COVID-19. Sadly at this time we have STOPPED ALL VISITING following government guidelines to try to reduce the transmission of Coronavirus. For an update on your relative please call the ward/department on one of the below telephone numbers. Thank you for your cooperation.
