

Hello my name is Mandy Ewington, I am your Ward Manager

We look after patients with various conditions but Ward 32 specialises in Head and Neck surgery. We care for both men and women on the ward in 4 or 6 bedded single sex bays. Each bay has its own bathroom. Each ward also has some single rooms, allocated on clinical need, each with ensuite facilities.

Hello my name is Helen Jones, I am your Modern Matron

To improve the patient experience...
To improve our patients experience we have achieved 100% for hand hygiene compliance in line with Infection Prevention practices.

We work closely with other health professionals as a team to care for patients, ensuring they are updated every day as to plans for them to be discharged and be back home fully supported and knowledgeable about their condition.

Just a few things to remember...

• We are currently following government advice regarding visiting relatives in hospital in relation to COVID-19. Sadly at this time we have STOPPED ALL VISITING following government guidelines to try to reduce the transmission of Coronavirus. For an update on your relative please call the ward/department on one of the below telephone numbers. Thank you for your cooperation.
