

Welcome to Ward 33 Urology

Hello my name is Dana Height-Feltham, I am your Ward Manager

We look after patients with various conditions but Ward 33 Urology specialises in Urology care. We care for both men and women on the ward in 4 bedded single sex bays. Each bay has its own bathroom. Each ward also has some single rooms, allocated on clinical need, each with ensuite facilities.

Hello my name is Clare Baker, I am your Modern Matron

To improve the patient experience... We are changing the times that we carry out some clinical procedures on the ward in order that we can speed up the discharge process.

Just a few things to remember...

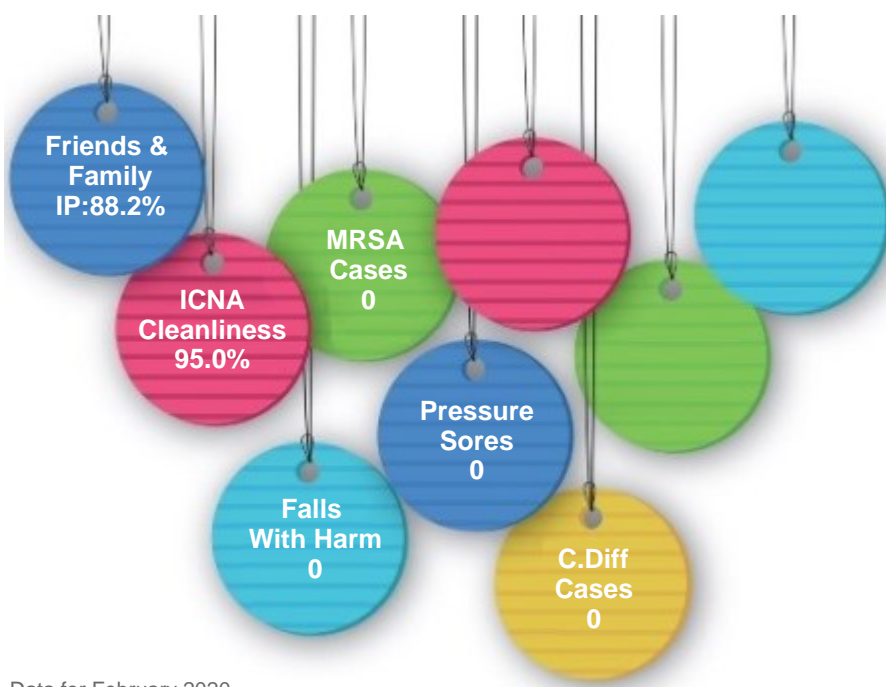

• We are currently following government advice regarding visiting relatives in hospital in relation to COVID-19. Sadly at this time we have STOPPED ALL VISITING following government guidelines to try to reduce the transmission of Coronavirus. For an update on your relative please call the ward/department on one of the below telephone numbers. Thank you for your cooperation.
