

Hello my name is Simon Gorrell, I am your Ward Manager

We look after patients with various conditions but Ward 34 specialises in haematology care. We care for both men and women on the ward in a 4 bedded single sex bay. Each bay has its own bathroom. The ward also has single rooms, allocated on clinical need, each with ensuite facilities.

Hello my name is Ross Palmer, I am your Modern Matron

To improve the patient experience... The department is working with our charitable fund partners, or patients and our staff to investigate how we can improve the environment for our patients.

Just a few things to remember...

• We are currently following government advice regarding visiting relatives in hospital in relation to COVID-19. Sadly at this time we have STOPPED ALL VISITING following government guidelines to try to reduce the transmission of Coronavirus. For an update on your relative please call the ward/department on one of the below telephone numbers. Thank you for your cooperation.
