

Hello my name is Natalie Gibbs, I am your Ward Manager

Our team looks after patients with various conditions but Ward 41 specialises in Stroke Care. We care for both men and women on the ward in 4 or 6 bedded single sex bays. Each bay has its own bathroom. Each ward also has some single rooms, allocated on clinical need, each with ensuite facilities.

Hello my name is Emma Cook, I am your Modern Matron

To improve the patient experience... focusing on advanced oral care, developing new strategies to increase effectiveness of oral care and have increased the use of the advanced oral care plan.

Just a few things to remember...

• We are currently following government advice regarding visiting relatives in hospital in relation to COVID-19. Sadly at this time we have STOPPED ALL VISITING following government guidelines to try to reduce the transmission of Coronavirus. For an update on your relative please call the ward/department on one of the below telephone numbers. Thank you for your cooperation.
