

## Hello my name is Gayle O'Byrne, I am your Ward Manager

We look after patients with various conditions but Ward 43 & 43SDU specialises in Neurosurgical Care. We care for both men and women on the ward in 4 or 6 bedded single sex bays. Each bay has its own bathroom. Each ward also has some single rooms, allocated on clinical need, each with ensuite facilities.

## Hello my name is Tracey Fenwick, I am your Modern Matron

To improve the patient experience... We have welcomed a number of overseas nurses into our team during January. We are providing them with personal and professional support during their transition period and look forward to them becoming part of our registered nurse establishment soon.

Your feedback is important to us as we aim to deliver a world class service
