

Hello my name is Cath Reid, I am your Ward Manager

Our team looks after patients with various conditions but Ward 53 MTECU specialises in Major Trauma Care. We care for both men and women on the ward in a 4 bedded single sex bay. The bay has its own bathroom. The ward also has some single rooms, allocated on clinical need, each with ensuite facilities.

Hello my name is Paula Seery, I am your Senior Matron

To improve the patient experience... We have an enhanced care area on ward 53 that cares for patients who have been involved in major trauma incidents. We work closely with the Major trauma co-ordinators and other members of the trauma multidisciplinary team ensuring a co-ordinated approach to caring for Major trauma patients. We also have a Trauma Counsellor available to assist in the psychological recovery of our Major Trauma patients.

Just a few things to remember...
